REGE REALTY CO.

Take Advantage of our experience.
We are contractors and builders, make plans and specifications, do lots of building and know what a house is worth. If an owner lists a house with us. If it is not below actual cest to build, we don't list to but we have some genuine bargains in four to ten-room houses that you couldn't build if you had all cash for the price, and we can make very easy terms on most any of them. And there are 200 to pick from. Look at everything that you can find and then take a ride with us. and we will show you what you wan't at a better price and better terms. Don't fall to see us. No trobule to show our property. Don't let your contracts for new buildings until you see us.
